

EDGE SERIES

At the intersection of sophistication and functionality, 3/8" tempered glass shelves float in mid-air with minimal hardware to block your view. With unique adjustable tension suspension support shelving and LED lighting, Edge provides a contemporary viewing window. Satin Natural or Dark Bronze aluminum framing secures the sliding glass doors and incorporates a built-in lock. The case is available with a 6" high or 12" high base and is finished with a 4" high lighted cornice.
