

# Desktop Protective Screen / DPSXXXXX-F Freestanding Unit

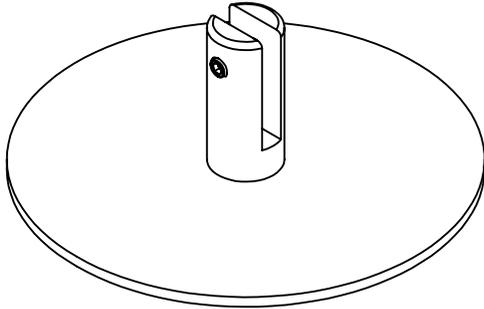

Installation Instructions

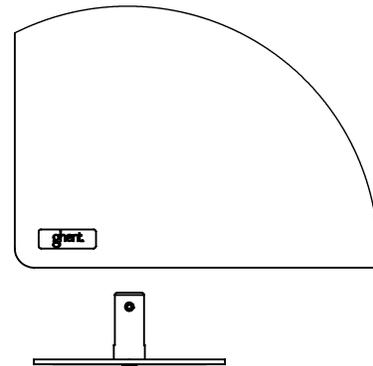

**Step 1:** Remove and unpack the Acrylic Panel, Feet, and Hardware.

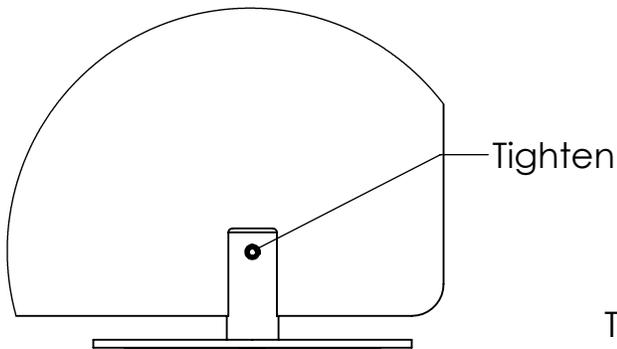

**Step 2:** Screw the panel brackets on to the feet.

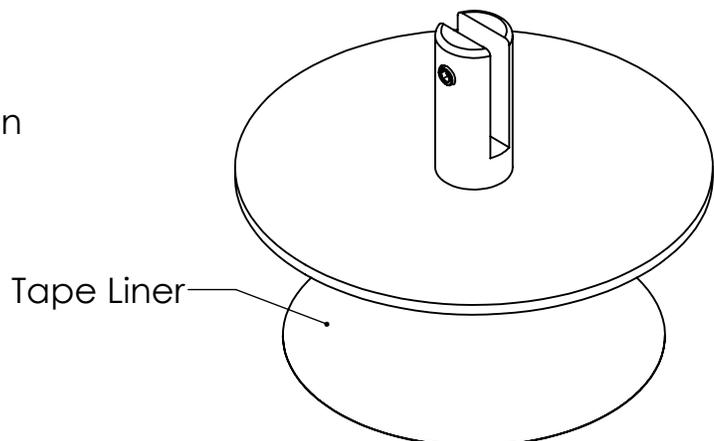

**Step 3:** Lay the Acrylic Panel onto a clean flat surface. Slide the feet unto the lower edge of the acrylic panel.

**Step 4:** Attach the feet to the acrylic panel by tightening the screw on the front of the bracket, wrench provided.

**Step 5:** For a secure mechanical attachment remove the lining from the tape on the bottom of the foot. Apply unit to table top surface with pressure to secure.

**Step 6:** Recycle all packaging in accordance to local regulations.
