

Bring Creativity TO THE SURFACE

ghent®

The Ghent Color Library

Working with an experienced color expert, we've curated a perfect selection of standard colors based on aesthetics and writability. We offer a variety of tried and true options for you to choose from quickly when there isn't time for the back and forth of specifying colors to match your space. White and frosted glassboards are available for 72 hour quick ship.

Make It Yours

Looking for something unique? Our color expert hand selected these additional colors for their appeal, writeability, and popularity. Additionally, our color-matching technology allows for specifications to Pantone, RMS and Sherwin Williams to be met when there is a need beyond our standard offering. Make it truly yours by adding logos, etching or other design details. Our team is here to help you make it yours.
