

PRESERVE

Outdoor Collaboration Glassboards

Preserve Canopy Unit with Stone Slats, Jet Black Powder Coat Frame, Captain Navy Fabric (PSV3FGSJBKPTSTN)

Think Outside the Walls with Preserve

Not defined by four walls, Preserve reclaims the outdoors by providing a smart use of otherwise forgotten meeting space. Inspired by nature and wellness, Preserve will help free your mind to think outside of the walls. Features weather tested, glass, steel, and fabric to match any aesthetic.

Complementary

The steel framing paired with composite decking slats and fabric awnings, create a modern aesthetic within your outdoor space that seamlessly blends into landscaping.

All-Weather

Built to withstand harsh weather conditions, the writing surface is comprised of 2 tempered glass panels with an EVA interlayer.

Durable

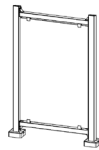

Available in three standard layouts, choose from our selection of architectural-grade powder coat steel colors, composite decking lumber stains, and water repellant UV-rated awning fabrics.

Inspiring

Preserve was designed with human psychology in mind. Feeding our natural drive to be connected with nature makes us happier, healthier, and more productive.
