

Desk to Floor Partition / DFPX-5747-XX

Instruction Sheet

Step 1: Remove and unpack carton contents.

(1)
Desk Floor Partition
Assembly

(2)
Feet

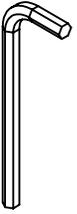

(1)
Desk Clamp
Assembly

(3)
1/4"-20 X 3/8 Button
Head Cap Screw

(3)
1/4"-20 Tee Nut

(1)
5/32" Allen
Wrench

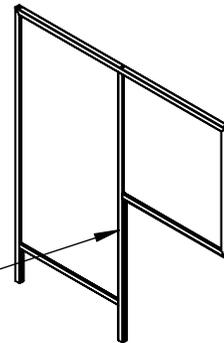

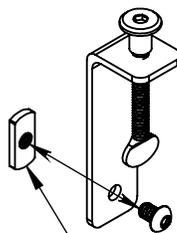

Step 2: Attach Desk Clamp Bracket:

- Lay Desk Floor Partition assembly on a padded surface.
- Insert Clamp assembly with hardware as shown.

Flat side of nut
towards screw head,
hand tight

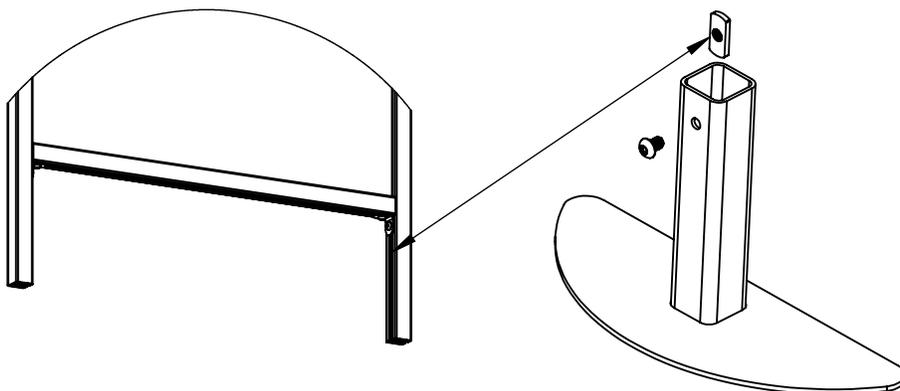

Put screw through clamp and
attach tee nut. Do not tighten.

Insert tee nut onto frame and
slide to the top. Hand tighten.

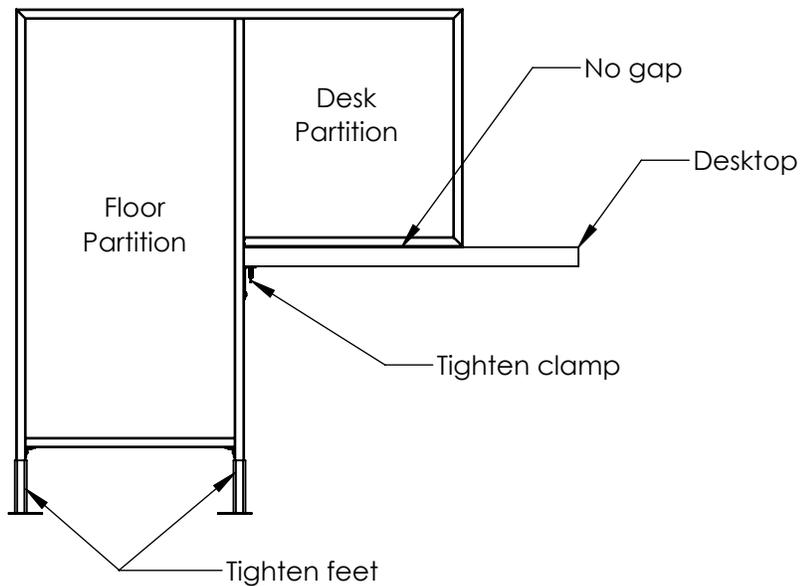

Step 3: Pre-assemble screw and tee nut onto foot as shown, slide foot onto frame and hand tighten.

Flat side of nut towards
screw head

Step 4: Position the Desk to Floor Partition on the desk or table at the desired location. Tighten screws and adjust feet as necessary for a level and secure installation.

Step 5: Recycle all packing materials in accordance with local regulations.
