

ENCLOSED BOARDS

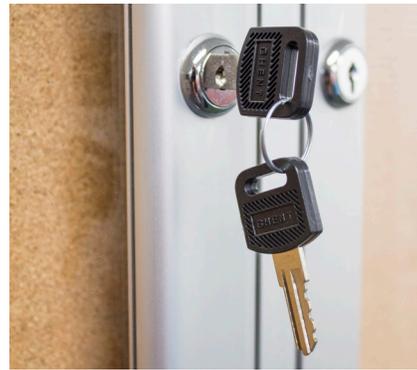

Bulletin Boards, Whiteboards and Letterboards

Secure & Sleek

Ghent's Enclosed Boards are the perfect way to display messages, pictures, and important information. Protected using shatter-proof acrylic panels, full-length door hinges, and locks that are flush with the frame, your messages and items are secured inside. You can install the board in high-traffic, public areas without worrying about damage or tampering.

Durable

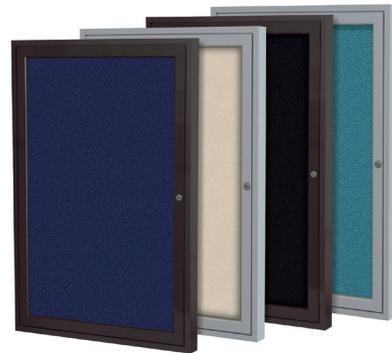

Use anywhere in your school or business to encourage the way you inform and learn.

--Enclosed boards withstand high-traffic areas and carry a 10-year warranty.

Secure

Comes standard with lock and key as well as hidden hinges to prevent damage.

Aesthetics

Available in a variety of frames and fabric finishes to match any interior.

Protected

Offering a variety of surfaces and unsurpassed durability, Ghent's Enclosed Boards take both function and security into account. Locking doors encourage protection of postings and information. Matched with a variety of frames and surfaces, you're sure to find the perfect solution for notices and announcements in a safe manner.

Safety

Made with shatter-resistant acrylic panels, bulletins and notices will stay in place securely.

Long Lasting

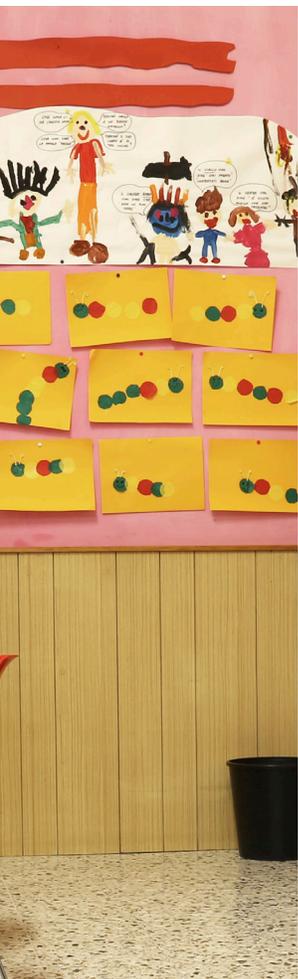

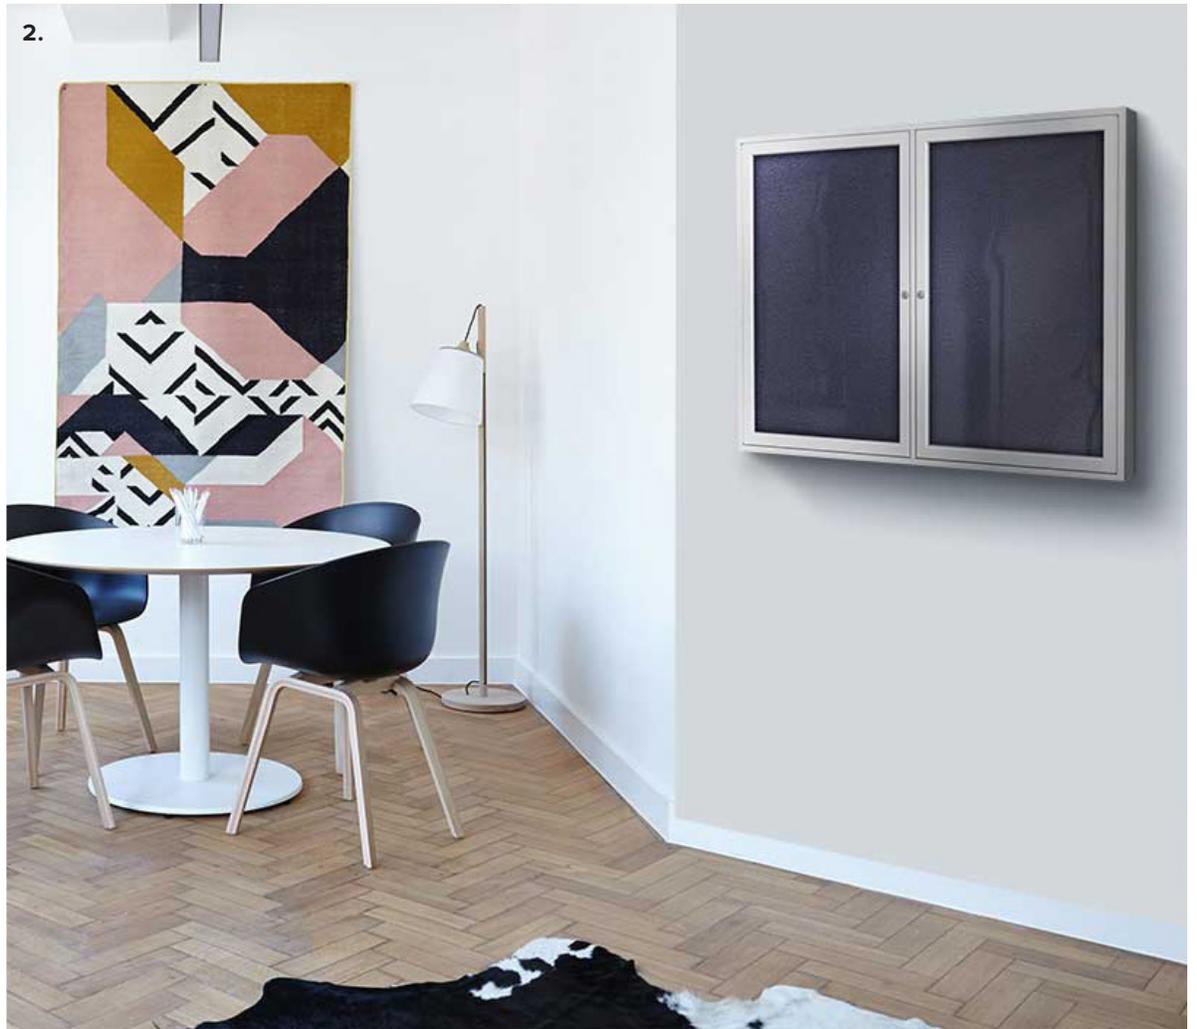

Made in the USA with high-quality materials, enclosed boards offer a 10-year warranty to withstand busy areas in hallways and offices.

Options

Available in 1, 2, or 3 door option with a variety of frame and tackable surface options to fit different work and learning environments.

Enclosed Board Options

Ghent's extensive line of Enclosed Bulletin Boards offer a variety of frame and tackable surface options. All message centers carry a 10-year warranty, durable enough for everyday use. Tackable options are self-healing, meaning they won't leave behind pin holes, and all surfaces resist fading. Find a useful, stylish board from Ghent's options.

Tackable Enclosed Boards

Surface Options

Frame Options

Cork & Fabric

Self-healing surfaces provide reliable tacking and are paired with durable frame.

Surface Options

Frame Options

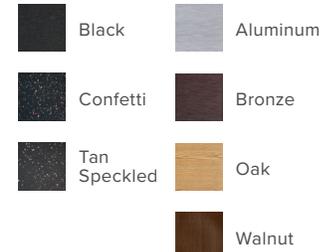

Vinyl

Enclosed Vinyl Board has a water-resistant surface that keeps moisture from damaging the board.

Surface Options

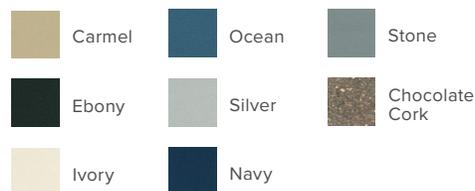

Recycled Rubber

The rubber is self-healing so it won't show pinholes and is durable enough to withstand the toughest conditions.

Surface Options

Frame Options

Silhouette

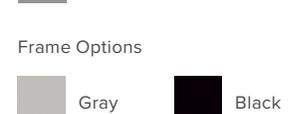

Unframed tempered glass and minimal sides allow for full viewing and option to line up multiple units.
