

Low Profile Glassboards

Clean, frameless, unobstructed writing surface

[illegible]

Customizable

Produced to your exact specifications with your branding.

Easy Clean

Wipes clean every time, no ghosting or staining.

Long Lasting

Our surface has a limited lifetime warranty.

Low Profile Glassboards

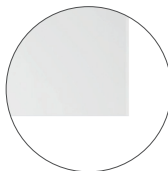

Low Profile Glassboards provide an elegant writing surface that allows you to effectively communicate important patient information, while utilizing empty wall space. Made with ¼" thick tempered safety glass, it sits only ½" off the wall and is held in place by VividBoard's hidden and secure two-cleat mounting system. The frameless, smooth writing surface will not ghost or leave behind sensitive patient information.

Details

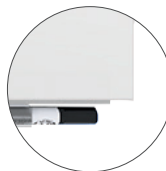

- **Size:** 18" x 24" | 2' x 3' | 3' x 4' | 4' x 4' | 4' x 5' | 4' x 6' | 4' x 8' | 4' x 10', horizontal or vertical.
- **Finish:** ¼" tempered safety glass writing surface. Available in both magnetic and non-magnetic surfaces.
- **Design:** No visible hanging hardware, square corners, lower support bar functions as integrated marker storage.
- **Mounting:** Two-cleat hanging system with lower support bar to support the weight, floats just ½" from the wall.

Features

- Clean, frameless design creates an unobstructed writing surface without spots for dust to collect.
- ¼" tempered safety glass can be cleaned with most disinfectants without harming the surface.
- Aluminum cleating and a steel support bar securely holds the board tight to the wall, maximizing space.
- Customize the graphics on the board to meet the needs of your facility.
