

# AMBASSADOR Series

Our finest wood framed enclosed bulletin boards, the Ambassador Series display cabinets feature solid oak framing and a furniture-grade finish that are perfect for lobbies, vestibules, or anywhere you need a premium message center. The tempered glass doors and flush mount locks provide added safety and security while keeping the posted material clean and neatly organized and protected against vandalism.

Easy-swing door(s) with sturdy brass-plated hinges and a self-healing natural cork tack surface that holds up under years of usage. Offered in one-, two-, or three-door units, the Ambassador Series premium wood cabinets are available in three classic finishes.
